

Driving Smart Water Innovation: Utility Perspectives

Utility Speakers:

Graham Nasby, Water SCADA & Security Specialist, City of Guelph Water Services

Susan Ancel, Director Stormwater Strategies, EPCOR Utilities Inc.

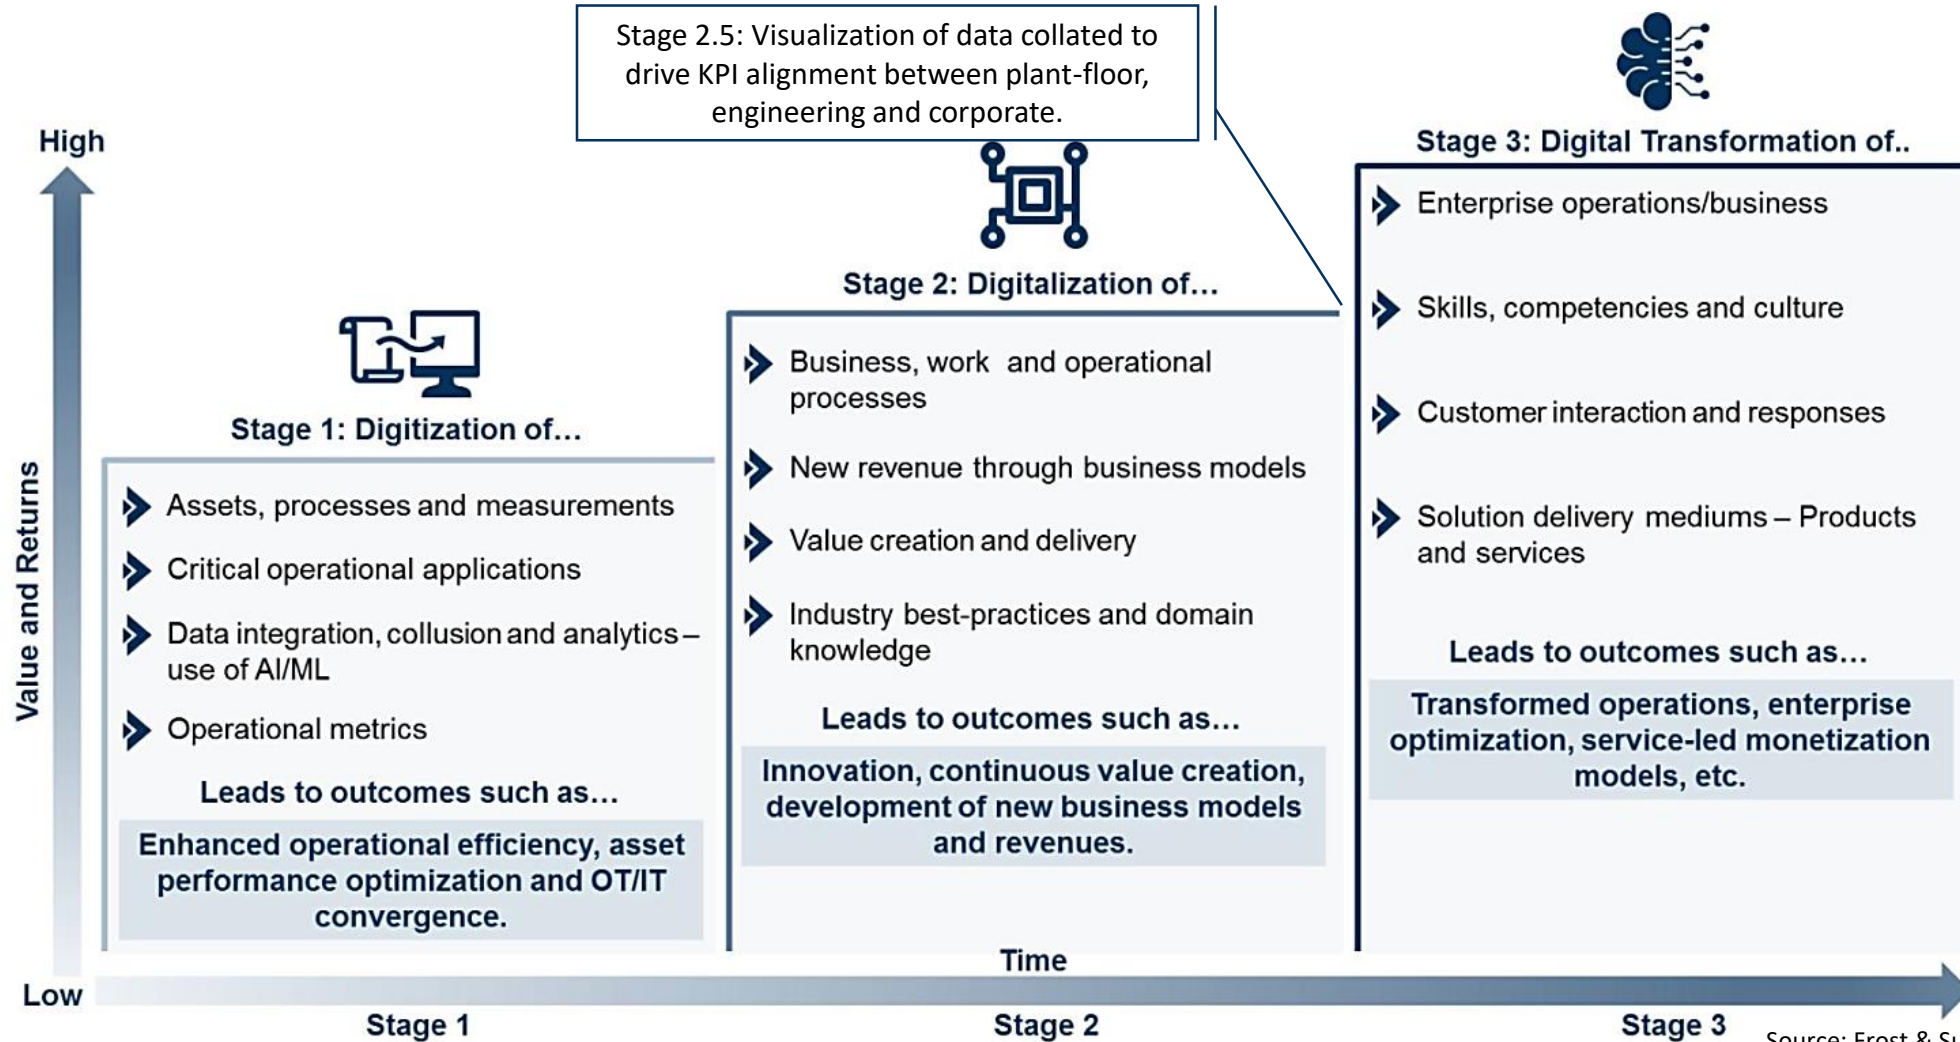

Reid Campbell, Director of Water Services, Halifax Water

Moderator:

Seth Cutler, Principal Consultant, Environment & Water, Frost & Sullivan

Digital Transformation Maturity Model: Frost & Sullivan

Majority of the market is either in Stage 1 or 2, with very few in Stage 3 maturity levels today.
