

5 Reasons Utilities Should Join SWAN

- 1. Networking** - Access to a global community of smart water experts (Interact with other utilities and technology providers worldwide, share best practices, and identify potential areas of collaboration, membership also includes **1-2 free passes** to the [SWAN 2019 Conference](#) to be held May 15-16th in Miami (\$1,000 value)
- 2. Research** - Access to cutting-edge smart water [research](#) (e.g. Global Utility Survey, Smart Wastewater Report, Interoperability White Paper)
- 3. SWAN Global Regional Alliances** – Receive free access to the [SWAN Asia-Pacific Alliance](#), [SWAN North American Alliance](#), [SWAN European Utility Alliance](#), [SWAN India Alliance](#), and new [SWAN Digital Twin H2O Work Group](#).
- 4. Marketing** – Feature your utility as a leading smart water expert, be highlighted in the Utility Spotlight Series, showcase your own case studies, and contribute your valuable insights.
- 5. Leadership** – Participate as a Lead Partner in a SWAN Global Alliance. Speak on a SWAN webinar or event about your smart water journey and help accelerate the industry!

Membership is annual and on a rolling-basis with significant discounts for utilities depending on their number of customers. Below is a breakdown of prices:

WATER UTILITIES

Small (< 100k connections)	£350
Medium (100k - 500k connections)	£700
Large (> 500k connections)	£1500
